REMITTANCE:

1. The annual registration fee is \$115.00 per product.
2. In limited instances, only one fee is required for the registration of similar pesticide products if all four conditions apply:
 - a. Products have the same chemical formulation;
 - b. Products are manufactured by the same company;
 - c. Products are intended for the same use; and
 - d. Products have labeling which identify them as the same pesticide.

RE-REGISTRATION:

All registrations expire December 31 of each year and must be renewed annually. It is not necessary to submit labels and MSDS's with renewals unless they have changed since the last submission. Revised labels and MSDS's must be submitted at time of the revision.

ADDITIONAL INFORMATION:

Additional information as to formula, test results, etc. may be requested when deemed necessary in the administration of the Maine Pesticide Control Act of 1975.

POLICY STATEMENT FOR DISCONTINUED ITEMS:

Products which are discontinued by a manufacturer shall be re-registered for a period of two years to permit time for distributors to dispose of stock in the channels of trade. Said two year limit covers the year in which the item was declared to be discontinued (D-1) and one additional year (D-2).
